1964 65' Chris Craft Constellation

This flush deck Chris Craft has been enjoyed in the Puget Sound region since it's first launch in 1964. She is equipped with fuel efficient twin CAT 343 turbo engines. In 2006 a Northern Lights 12kw generator was installed and in 2008 a water maker.

Since 2008 the boat has been re-seamed, stern has been rebuilt, the roof of the salon has been fiberglassed, and the bow has been refinished. The engine room has many upgrades including wiring and inverters.

The vessel has four staterooms and three heads to accommodate many

guests. The spacious salon includes a Kenwood surround sound system with sub-woofer as well as a 42" Sony flatscreen with multiple HDMI ports. The galley is complimented by a large pantry, a full size stainless front refrigerator, deep stainless sink, dishwasher, stovetop, oven trash compactor, and washer dryer combo.

This boat is documented.
