

Classic Yacht Association

Membership Application

The objective of the Classic Yacht Association is to promote and encourage an interest in the preservation, restoration and maintenance of fine old power driven pleasure craft. Established in 1970, the Association has become a major influence in the growing appreciation of the classic yacht.

The Association invites applications for four types of membership:

- Classic or Vintage for those who meet the qualifications listed below;
- Affiliate membership for those who have an interest in old wooden power vessels;
- Associate membership for CYA members who no longer own a qualifying vessel.

The qualifications for membership are: The vessel shall be a power driven pleasure boat of good design, construction and maintenance, which shows no exterior alterations that detract from the designer's original intent. A classic designation indicates launch on or prior to December 31, 1942; a vintage designation indicates launch after December 31, 1942 and on or prior to December 31, 1964, or a vessel launched after 1964 approved under special consideration. SECTION IV: Completing the Application

Applicants for **Classic** or **Vintage** membership are encouraged to review *Preparing the Member Application Package* and *Definitions for Membership Eligibility* in your Sponsor's CYA Membership Roster.

Attach the following documents to this application:

1. At least one 3" X 5" or larger photograph showing a broadside view of the boat in the water. A digital image is encouraged, but not required. This image should have been taken within the last six months and must be sufficiently large and unobstructed to permit an evaluation of special features of the boat. Include boat name and date with each image submitted.
2. A typewritten statement on the background of the boat. This should include all known history about the boat, including former owners, historical events, restoration activities or history, special design or construction features, and special or unique uses of the boat.

When completed, this application and all attachments should be sent to the Commodore of your home fleet.
