

#### CLASSIC YACHT ASSOCIATION

#### 2018 HOLIDAY CRUISE!

It's time to get into the holiday boating spirit and join your fellow CYA members for the 2018 Holiday Cruise and 46<sup>th</sup> Annual Chet Gibson Memorial Lighted Boat Parade, December 8th! The parade route no longer passes by Husky Dock, so lucky for us Queen City Yacht Club, which hosts the parade, has graciously invited CYA members to participate in the parade and offered us guest moorage at Queen City's guest dock afterwards where we can join the festivities at the club, including a BYOB potluck dinner followed by dancing to the music of Queen City's own "house band," The Desolation Sounds! How fun is that!???

Not in the mood to expose your beloved classic yacht to the winter elements? No problem! Be Marcine and Will's guest on TAHOE, their 1955 Chris Craft Constellation, where we'll watch the parade from Lake Union and then dock at Queen City for the party. Guests on TAHOE are limited to the first 20 to RSVP.

Please RSVP by November 30<sup>th</sup> to [marcineh@comcast.net](mailto:marcineh@comcast.net) for either the TAHOE cruise OR if you'd like to bring your boat to participate in the parade. Moorage at Queen City is limited so RSVP early to secure your spot. (Moorage is available during the party but not overnight.)

Saturday, December 8<sup>th</sup>; Parade starts at 6pm at the Green buoy by Gasworks Park; Queen City Potluck 7:30 BYOB; Dancing 8:30 – 11. Further details can be found at [www.queencity.org/event](http://www.queencity.org/event)
